Effective: November 12, 2002

II. TERMS AND CONDITIONS

2.1 Description and Limitations of Service

- 2.1.1 Services provided pursuant to this RTC may be utilized only for the transmission of communications by customers consistent with the terms of this RTC, the rules and regulations of the FCC and the requirements of the Communications Act of 1934, as amended.
- 2.1.2 The Company may require a customer to sign an application form and to establish credit worthiness as a condition precedent to the initial establishment of service. The application shall state the date on which service shall begin and the points between which service is to be provided, the type of facilities required, and any special arrangements related thereto.
- 2.1.3 Any member of the general public (including any natural person or legally organized entity such as a corporation, partnership, or governmental body) is entitled to obtain service under this RTC, provided that the Company reserves the right to deny service: (A) to any Customer that, in the Company's reasonable opinion, presents an undue risk of nonpayment and refuses to comply with the deposit requirements set forth in this RTC, (B) in circumstances in which the Company has reason to believe that the use of the service would violate the provisions of the RTC or any applicable law or regulation, or if any applicable law or regulation restricts or prohibits provision of the service, or (C) if insufficient facilities are available to provide the service.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.1 Description and Limitations of Service (cont'd.)

2.1.4 Service is offered in selected equal access exchanges subject to the availability of facilities and the provisions of this RTC. The Company reserves the right to refuse to provide service to or from any location where it has not ordered access facilities, installed network interconnections or the necessary facilities and/or equipment are otherwise not available.

2.1.5 Service begins on the date that billing becomes effective and is provided on the basis of a minimum period of at least one month, 24 hours per day. For the purposes of computing charges in this RTC, a month is considered to have 30 days.

2.2 Use of Service

2.2.1 The services offered herein may be used for any lawful purpose, including residential, business, governmental, or other use. There are no restrictions on sharing or resale of services. However, the customer remains liable for all obligations under this RTC notwithstanding such sharing or resale and regardless of the Company's knowledge of same. The Company shall have no liability to any person or entity other than the Customer. The Customer shall not use nor permit others to use the service in a manner that could interfere with services provided to others, that could harm the facilities of the Company or others or that is consistent with any applicable law or regulation.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.3 Company Provided Equipment

- 2.3.1 The Customer agrees to operate any Company provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void the Company's liability for interruption of service and may make Customer responsible for damage to equipment.
- 2.3.2 Customer agrees to return to the Company all Company provided equipment delivered to Customer within five (5) days of termination of the service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to Customer, normal wear and tear only excepted. Customer shall reimburse the Company, upon demand, for any costs incurred by the Company due to Customer's failure to comply with this provision.
- 2.3.3 The Company reserves the right of entrance for its employees, agents or RTCors to the premises of the subscriber, at any reasonable hour for the purpose of installing, inspecting, repairing, or upon termination of service removing the carrier's equipment. It shall be the responsibility of the Customer to make any necessary arrangements with the owners of the premises for the entrance of the Company's employees.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.4 Liability

- 2.4.1 Except as provided otherwise in this RTC, the Company shall not be liable to Customer or any other person, firm or entity for any failure of performance hereunder if such failure is due to any cause of causes beyond the reasonable control of the Company. Such causes shall include, without limitation, acts of God, fire, explosion, vandalism, cable cut, storm or other similar occurrence, any order, regulation, direction, action or request of the United States government or of any other government or of any civil or military authority, national emergencies, insurrections, riots, wars, strikes, lockouts or work stoppages or other labor difficulties, supplier failures, shortages, breaches or delays, or preemption of existing services to restore service in compliance with the FCC's Rules and Regulations.
- 2.4.2 With respect to any claim or suit, the Company's liability, if any, shall not exceed an amount equal to the charge applicable under this RTC to the period during which services were affected. For those services with monthly recurring charges, the Company's liability is limited to an amount equal to the proportionate monthly recurring charges for the period during which service was affected.
- 2.4.3 The Company is not liable for any act or omission of any other company or companies furnishing a portion of the service, facilities or equipment associated with such service.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.4 Liability, (cont'.d)

- 2.4.4 The Customer is responsible for taking all necessary legal steps for interconnecting the Customer provided terminal equipment with the Company facilities. The Customer is responsible for securing all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection.
- 2.4.5 All or a portion of the service may be provided over facilities of third parties, and the Company shall not be liable to Customer or any other person, firm or entity in any respect whatsoever arising out of defects caused by such third parties.
- 2.4.6 THE COMPANY SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, OR PUNITIVE DAMAGES, OR FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF ANY DEFECTS OR ANY OTHER CAUSE. THIS WARRANTY AND THESE REMEDIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OR REMEDIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- 2.4.7 With respect to the routing of calls by the Company to public safety answering points or municipal emergency service providers, the Company's liability, if any, will be limited to the lesser of: (a) the actual monetary damages incurred and proved by the Customer as the direct result of the Company's action, or failure to act, in routing the call, or (b) the sum of \$1,000.00.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.4 Liability, (cont'd.)

2.4.8 In the event parties other than Customer (e.g., Customer's customers) shall have use of the service directly or indirectly through Customer, then Customer agrees to forever indemnify and hold the Company harmless from and against any and all claims, demands, suits, actions, losses, damages, assessments or payments which may be asserted by said parties arising out of or relating to any defects.

2.5 Payment Arrangements

2.5.1 The Customer is responsible for payment of all charges for services furnished to the Customer or its joint or authorized users. This responsibility is not changed due to any use, misuse, or abuse of the Customer's service or Customer provided equipment by third parties, the Customer's employees, or the public.

2.5.2 The Company's bills are due upon receipt. Amounts not paid within 30 days from the due date of the invoice will be considered past due. Customers may be assessed a late fee on past due amounts in the maximum lawful rate under applicable state law but shall not exceed a one time late fee of 5% for such months billings. If a Customer presents an undue risk of nonpayment at any time, the Company may require that Customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.5 Payment Arrangements, (cont'd.)

- 2.5.3 Customers who present an undue risk of nonpayment may be required to provide the Company a security deposit, up to an amount equal to the applicable installation charges, if any, and/or up to one year's actual or estimated usage charges for the service to be provided. Such applicants or customers may also be required, at any time, to provide other assurances of, or security for, the payment of the Company's charges for its services as the Company may deem necessary, including, without limitation, advance payments for service, third party guarantees of payment, pledges or other grants of security interests in the customer's assets, and similar arrangements. The required deposit or other security may be increased or decreased by the Company as it deems appropriated in the light of changing conditions.
- 2.5.4 Disputes with respect to charges must be presented to the Company in writing within three months from the date the invoice is rendered or such invoice will be deemed to be correct and binding on the customer.
- 2.5.5 In the event the Company incurs fees or expenses, including attorney's fees, in collecting, or attempting to collect, any charges owed the Company, the customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.
- 2.5.6 Customers whose bills are rendered by a Local Exchange Carrier will be billed a monthly recurring charge of \$4.95 per Business Account and \$4.95 per Residential Account, in addition to all other applicable usage charges, nonrecurring and monthly recurring charges.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.6 Discontinuance of Service

- 2.6.1 Upon nonpayment of any sum owing to the Company, or upon a violation of any of the provisions governing the furnishing of service under this RTC, the Company may, without incurring any liability, immediately discontinue the furnishing of such service. Customer shall be deemed to have canceled service as of the date of such disconnection and shall be liable for any cancellation charges set forth in the RTC.
- 2.6.2 The Company reserves the right to discontinue furnishing services or billing options when necessitated by condition beyond its reasonable control.
- 2.6.3 Service may be discontinued by the Company, without notice to the customer by blocking traffic to or from certain cities, or NXX exchanges, or by blocking calls using certain customer authorization codes such as calling card codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk.
- 2.6.4 Without incurring any liability, the Company may discontinue the furnishing of service(s) to a customer immediately and without notice if the Company deems that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or services.
- 2.6.5 The discontinuance of service by the Company pursuant to this section does not relieve the customer of any obligations to pay the Company for charges due and owing for service(s) furnished up to the time of discontinuance.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.6 Discontinuance of Service, (cont'd.)

2.6.6 The remedies set forth herein shall not be exclusive and the Company shall at all times be entitled to all rights available to it under either law or equity.

2.6.7 Except as otherwise provided in the RTC or as specified in writing by the party entitled to receive service, notices may be given orally or in writing to the persons whose names and business addresses appear on the executed service order.

2.7 Method for Calculation of Airline Mileage

Method for Calculation of Airline Mileage

The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by using industry-standard vertical (V) and horizontal (H) coordinates according to the following formula.

Formula:
The square
root of:

$$\frac{\sqrt{(V1-V2)^2 + (H1-H2)^2}}{10}$$

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.

II. TERMS AND CONDITIONS (Cont'd)

2.8 Time of Day Rate Periods

Time of Day Rate Periods apply to residential rates only. Time of Day Rate Periods are determined by the time of day at the location of the calling station.

DAY: From 8:00 AM, up to but not including 5:00 PM Monday - Friday

EVENING: From 5:00 PM, up to but not including 11:00 PM Monday - Friday

NIGHT/WEEKEND: From 11:00 PM, up to but not including 8:00 AM Everyday;
All Day Saturday; All Day Sunday

2.9 Recognized National Holidays

The following are Company Recognized National Holidays determined at the location of the calling station.

New Year's Day, Martin Luther King Day, President's Day, Memorial Day, July 4th (Independence Day), Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Christmas.

The evening rate is used unless a lower rate normally would apply. When a call begins in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the call occurring within that rate period. In the event that a minute is split between two rate periods, the rate in effect at the start of that minutes applies.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.10 Special Customer Arrangements

In cases where a customer requests a special or unique arrangement which may include engineering, conditioning, installation, construction, facilities, assembly, purchase or lease of facilities and/or other special services not offered under this RTC, the Company, at this option, may provide the requested services. Appropriate recurring charges and/or nonrecurring charges and other terms and conditions will be developed for the customer for the provisioning of such arrangements.

2.11 Other Terms and Conditions

- 2.11.1 The provision of service will not create a partnership or joint venture between the Company and the customer nor result in joint service offerings to their respective customers.
- 2.11.2 A customer shall not use any service mark or trademark of the Company or refer to the Company in connection with any product, equipment, promotion, or publication of the customer without prior written approval of the Company.
- 2.11.3 If an entity other than the Company (e.g., another carrier or a supplier) imposes charges on the Company in connection with a service, that entity's charges may at the Company's option be passed through to the customer also.
- 2.11.4 In the event suit is brought or an attorney is retained by the Company to enforce the terms of this RTC, the Company shall be entitled to recover, in addition to any other remedy, reimbursement for reasonable attorneys' fees, court costs, costs of investigation and other related expenses incurred in connection therewith.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.11 Other Terms and Conditions

2.11.5 The failure to give notice of default, to enforce or insist upon compliance with any of the terms or conditions herein, the waiver of any term or conditions herein, or the granting of an extension of time for performance by the Company or the customer shall not constitute the permanent waiver of any term or condition herein. Each of the provisions shall remain at all time in full force and effect until modified in writing.

2.12 Taxes and Fees

2.12.1 All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items on the Customer's bill and are not included in the quoted rates and charges set forth in this RTC.

2.12.2 To the extent that a municipality, other political subdivision or local agency of government, or Commission imposes upon and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee, or regulatory fee, such taxes and fees shall, insofar as practicable and allowed by law, be billed pro rata to Customers receiving service from the Company within the territorial limits of such municipality, other political subdivision or local agency of government.

2.12.3 The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or quasi-governmental authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund (USF), and compensation to pay telephone service providers for the use of their pay telephones to access the Company's service.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.12 Taxes and Fees, (cont'd.)

2.12.3 (cont'd.)

A. Public Pay Telephone Surcharge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. The Public Pay Telephone Surcharge, which is in addition to standard RTCed usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access the Company service and is unrelated to the Company's service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.12 Taxes and Fees, (cont'd.)

2.12.3 (cont'd.)

A. Public Pay Telephone Surcharge (cont'd.)

The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

Rate per Call, maximum \$0.35

B. Universal Connectivity Charge

Services provided pursuant to this RTC are subject to an undiscountable monthly Universal Connectivity Charge, which is equal to 8.5% of the Customer's total net interstate and international charges, after application of all applicable discounts and credits. Subject to billing availability, this charge will be applied with respect to charges billed after January 25, 1998.

1. X2Comm, Inc. will waive the Universal Connectivity Charge with respect to specifically identified Company charges to the extent that the Customer demonstrates to X2Comm, Inc.'s reasonable satisfaction that:

(a) The Customer has filed a Universal Service Worksheet with the Universal Service Administrator covering the twelfth month prior to the month for which the Customer seeks the waiver (i.e., to be eligible for a waiver in February 1998, the Customer must have filed a Universal Service Worksheet with the Universal Service Administrator covering February 1997);

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.12 Taxes and Fees, (cont'd.)

2.12.3 (cont'd.)

B. Universal Connectivity Charge (Cont'd.)

1. (Cont'd.)

(b) The charges with respect to which the waiver is sought are for services purchased by the Customer for resale; and

(c) The Customer will file a Universal Service Worksheet with the Universal Service Administrator in which the reported billed revenues will include all billed revenues associated with the Customer's resale of services purchased from X2Comm, Inc..

2. The Universal Connectivity Charge will not be waived with respect to:

(a) Charges for services purchased by Customer for its own use and an end user; or

(b) Charges for which the bill date is on, prior to, or within fifteen days after, the date on which the Customer applies for a waiver with respect to those charges.

C. Texas Universal Service Fund (TUSF) Charge

Services provided in this RTC are subject to an undiscountable monthly Texas Universal Service Fund (TUSF) Charge of 3.6% of the Customer's total net interstate and international charges for calls that both originate and are billed within the state of Texas, after application of all applicable discounts and credits. Subject to billing system availability, the TUSF will be applied to applicable charges billed on or after February 3, 1999.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.12 Taxes and Fees, (cont'd.)

2.12.3 (cont'd.)

D. Oregon Universal Service Charge

Services provided pursuant to this RTC are subject to an undiscountable monthly Oregon Universal Service Charge. Based on billing availability, this Charge is applied to the Customer's total net interstate and international monthly recurring and usage-based charges for calls that both originate and are billed within the State of Oregon, after application of all applicable discounts and credits. Interstate and international charges are assessed this Charge under order by the Public Utility Commission of Oregon. For Customer invoices beginning September 1, 2000, the Oregon Universal Service Charge is 3.24% of the applicable charges.

Effective: November 12, 2002

II. TERMS AND CONDITIONS (Cont'd)

2.12 Taxes and Fees, (cont'd.)

E. Presubscribed Interexchange Carrier Charge (PICC)

For any telephone line, automatic number identification (ANI), terminal, extension, or equivalent for which the Company is designated by the Local Exchange Carrier, cellular service provider, personal communications service provider, or other similar entity to be a Customer's Primary Interexchange Carrier (PIC), the Company will assess the Customer a monthly recurring charge, called a Presubscribed Interexchange Carrier Charge (PICC), for each line or equivalent, that the Company is so designated. The aggregate of these PICCs will not be prorated for a partial month of service, are not subject to any discounting and do not contribute to any monthly minimums. The PICCs charged by the Company are as follows:

Monthly Recurring Charge

Per multi-line business line: \$4.75

(These charges apply in addition to the usage and other charges that to any service included in this RTC)

2.13 Low Usage Fee

There will be a \$1.99 fee applied to any customer's invoice that has usage and the usage is less than \$5.00. If there is usage and the usage is great than \$5.00, no fee is applied. If there is no usage, no fee is applied.

Effective: July 04, 2005

III. SERVICE OFFERINGS

3.1 Message Telecommunications Service (MTS)

Message Telecommunications Service ("MTS") is direct dial interexchange service which is both distance and time of day sensitive, and which utilizes both switched access and/or dedicated access facilities on either the originating or terminating ends of each call.

For billing purposes call timing is rounded up to the nearest higher minute increment after the initial minimum period of one minute

III. SERVICE OFFERINGS (Cont'd.)

3.2 Switched Toll Free Service

Switched Toll Free Service is offered for inbound calling in which the charges for the call are billed to the X2Comm, Inc. Customer rather than to the party originating the call. Service is initiated when the caller dials a toll free number (i.e., 800/888) assigned specifically to the Customer. The call is routed by the network to the designated Customer-provided local switched access line. Only one such routing arrangement is provided for each Toll Free Service number assigned to the Customer.

Effective: November 12, 2002

3.3 Dedicated Toll Free Service

Dedicated Toll Free Service is offered for inbound calling in which the charges for the call are billed to the X2Comm, Inc. Customer rather than to the party originating the call. Service is initiated when the caller dials a toll free number (i.e., 800/888) assigned specifically to the Customer. The call is routed by the network to the designated Customer-provided dedicated access line. Dedicated Toll Free Service includes at least one such routing arrangement. At the option of the Customer, additional routing arrangements at the same central office may be ordered to distinguish traffic between two or more specific access service arrangements terminated at one or more of the same or more specific access service arrangements terminated at one or more of the same Customer's premises in the same state which are connected to that serving central office.

Monthly Service Charges apply per initial and additional routing arrangements.
